D. Organizational chart and processes:

- E. **Nature and Extent of involvement of Faculty and students in academic affairs/improvements:** The institute stresses on two-way communication and participative mode of teaching guided by the principle of “Learn, Un-Learn and Re-Learn”. The syllabus is modified every four years to keep it abreast with the current requirement of the industry. As working candidates constitute a considerable fraction of the students, their experiences are shared in the classroom to have a blend of academics with industry. Apart from traditional pedagogy of chalk-n-talk, case studies and powerpoint presentations and e- learning methods are encouraged to read business dailies and magazines and discuss the recent happenings in class in the light of the theoretical inputs received in class. Such discussions are usually in the form of presentations or group discussions. The institute supports research-based study by encouraging students to do assignments which require exploring facts and database outside text and reference books. Participation in seminars, workshops, conferences, talk shows and writing research papers by the students are encouraged. The students are assigned the responsibilities to conduct similar events in the Institute so that they can gain first-hand experience in management. The institute organizes regular workshops, lectures by eminent persons from Industry to enhance the employment potential of the students. Requirements of students and their feed- back are considered seriously.
- F. **Mechanism/ Norms and Procedure for democratic/ good Governance:** The Institute believes in collective efforts and participative management. The management, faculty members, administrative staff and the students are all integral parts of the Institution. They all participate

effectively in the running of the Institute. A belief of mutual benefit is embedded in everyone at the Institute irrespective of his or her hierarchical position. Cordial relationships are maintained. Transparency in operations and conduct is accorded top priority which has helped in creating an environment of fraternity in the Institute. There are structured committees to redress grievances, should there be any and a dedicated email id (grievance@jpnce.ac.in) is there in the home page of the website of the institute which is accessible by anyone at the Institute to intimate the concerned committee about his / her grievances.

G. Student Feedback on Institutional Governance/ Faculty performance: A student feedback mechanism is available in the institution. Once in a semester, the students provide the feedback of staff in the prescribed format.

H. Grievance Redressal mechanism for Faculty, staff and students: The Committee aims at being a link between students, teachers and College administration. It is established to create a healthy and safe atmosphere for students of this esteemed College. We actively seek to address issues on the student front. We acknowledge that in College there may be situations where an individual student or group of students may have concern about the behavior of others or the decisions of others or may have suggestions. Therefore our committee promotes timely and transparent resolution of these issues/ suggestions in a confidential manner. Grievance is any type of problem, concern, dispute or complaint or suggestion(s) related to academics or the environment, in the college premises. We work on principles including confidentiality, impartiality, sensitivity and timely and appropriate action.

The Grievance redressal cell of Jayaprakash Narayan College of Engineering consists of following members:

11. Admission Procedure:

- Mention the admission test being followed, name and address of the Test Agency/State Admission Authorities and its URL (website)
- Number of seats allotted to different Test Qualified candidates separately (AIEEE/ CET (State conducted test/ University tests/ CMAT/ GPAT)/ Association conducted test etc.)
- Calendar for admission against Management/vacant seats:
- Last date of request for applications
- Last date of submission of applications
- Dates for announcing final results
- Release of admission list (main list and waiting list shall be announced on the same day)
- Date for acceptance by the candidate (time given shall in no case be less than 15days)
- Last date for closing of admission
- Starting of the Academic session

- The waiting list shall be activated only on the expiry of date of main list
- The policy of refund of the Fee, in case of withdrawal, shall be clearly notified

12. Criteria and Weightages for Admission

- Describe each criterion with its respective weightages i.e. Admission Test, marks in qualifying examination etc.
- Mention the minimum Level of acceptance, if any
- Mention the cut-off Levels of percentage and percent ile score of the candidates in the admission
test for the last three years
- Display marks scored in Test etc. and in aggregate for all candidates who were admitted

13. List of Applicants

- List of candidates whose applications have been received along with percentile/percentages score for each of the qualifying examinations in separate categories for open seats. List of candidate who have applied along with percentage and percentile score for Management quota seats (merit wise)

14. Results of Admission under Management seats/Vacant seats

- Composition of selection team for admission under Management Quota with the brief profile of members (This information be made available in the public domain after the admission process is over)
- Score of the individual candidate admitted arranged in order or merit
- List of candidate who have been offered admission
- Waiting list of the candidate in order of merit to be operative from the last date of joining of the first list candidate
- List of the candidate who joined within the date, vacancy position in each category before operation of waiting list
